## **SITE SELF-SECURITY SYSTEM** **ADDITION OF POLICE NAFRI AND PATROLLING BIKES**

Further to our Security Advisory of 30<sup>th</sup> December 2023, we are pleased to inform our valued Members that the Association has taken up the matter with Police high officials, as a result of which, **the Inspector General of Police, Sindh has very kindly deputed 22 more police personnel at SITE Crime Monitoring Cell of the Association.**

**To get most out of extra manpower now available, 11 Honda CG-125 motorbikes are being added to the existing fleet for increased & effective patrolling in SITE area, Karachi.**

We are confident that increased & effective patrolling in SITE area will be greatly helpful in keeping vigilant eye on criminal elements and providing security to our member industries, enabling them to continue industrial activities with peace of mind and contribute towards betterment of national economy.

SITE Association of Industry invites all members to join hands with the Association in strengthening their own security system (SITE Self-Security System), commonly known as **SSSS**.

## SECURITY ADVISORY

Due to prevailing law & order situation in Karachi, we would suggest our fellow industrialists to take certain precautionary measures to avoid any unforeseen incident:

- Take alternate routes
- Frequently change your timings
- Change vehicles (if possible)
- Stay vigilant while driving, especially on traffic signals and in traffic jams
- Please do report if you get any extortion call, extortion chit or threat through any other medium (be rest assured, your name and identity will be kept secret)
- Install atleast 2 cameras on the boundary wall of your factory covering the outer street
- Install search lights on the boundary wall and gate of your factory
- Minimise cash transactions as much as possible
- Conduct employee's verification (Criminal Record verification through SITE Association office)
