PLANT A TREE ON 'EARTH DAY'

Dear Members,

Sindh Environmental Protection Agency (SEPA) is celebrating **Earth Day on 22nd April 2019** to show conservation and protection of mother earth and green natural environment, plant trees, clean up their neighborhoods.

In order to combat climate change effects and improve environmental conditions of our beloved city and SITE industrial area in particular, **all Members are requested to celebrate this day and plant at least one tree in their factory premises.**

Members cooperation in this matter would be highly appreciable.

Thanks & regards,

Dr.Syed Azhar Ibne Hasan

Secretary General
