ISSUES OF SITE AREA DUE TO HEAVY RAIN IN KARACHI

Several members of SITE, during last devastating rain, were deeply perturbed and faced immense problems in their units due to the rain water inflow in their factories, being situated in the neighborhood of nullahs, illegally encroached and affecting the flow of rain water.

The incoming Executive Committee has decided to concentrate on this single issue on priority basis. To resolve the issue effectively, cleaning of nullahs and removal of encroachments thereon, in doing so , construction on such nullahs will be demolished *(if needed so, for the safety of effectees)*.

Therefore we request our members to provide following information at the earliest:

1. Company Name:
2. Factory address:
3. Nature of Complaint:
4. Contact Person Name & Mobile:
5. **Problematic factory Name & address:**

Kindly submit your inputs at the earliest along with support documents (photos of the problematic area etc.)

Best Regards,

Dr.Syed Azhar Ibne Hasan
