## **REGISTRATION OF WORKERS ON SESSI ONLINE PORTAL**

Dear Members,

It has been observed that some of our valued members are not registering names & required details of their registered workers on SESSI Online portal despite paying their monthly contribution.

The Association has also received a List from Sindh Employees' Social Security Institution (SESSI), Karachi, in this regard.

**Members who are not registering their workers on SESSI online portal, are therefore, advised to kindly visit concerned SESSI office for registration for their concerned workers, failing which, the concerned Deputy Commissioner / Director SESSI / Judge, may visit the factories for implementation of law and will take necessary action.**

With regards,

**Muhammad Faheem**  
Secretary General
