## **UNAUTHORIZED GAS LOAD EXTENSION**

**The SSGC has sent letters in previous months to industries running more than sanctioned load.**

The SSGC teams visited the factories, checked the load and found some industries running more than sanctioned load.

All those members who have received such letters are advised in their best interest to immediately apply for the regularization of additional connected gas load.

For further details, members may contact SSGC Sales Department.

Sincerely,

**AHMED AZEEM ALVI**  
President
