Dr. Syed Azhar Ibne Hasan
Secretary General

SPECIALIZED TRAINING WORKSHOP ON

"Cost Control & Cost Reduction Techniques"

on 27th June 2019

@ SITE Association, Karachi. (09:00 AM to 05:00PM)

Course Overview

High Cost of doing business especially in manufacturing and service sectors in our country is affecting our domestic and international trade adversely. Our economy is facing a difficult time. A good number of industrial units are already closed and many others are withering fast. The recent hike in fuel and energy prices has added further fuel to the fire and we are constrained to look for cost cuts.
