DATED: 28TH MARCH 2020.

Site Association of Industry has decided to create a fund for the welfare of workers employed in industries of SITE. The objective is to provide them with Ration Bags for their survival.

We have also arranged to provide Bags to Industries if they want to distribute to their workers from their own units (Approx. Rs.1800 per bag).

We would request fellow industrialists to do this, as in these challenging conditions they deserve your support.

We will also be distributing from SITE Association to needy individuals. We request all Industrialists of SITE to come forward and donate to the Association.

Please come forward to enable us to serve our work force.
